

Code of Ethics and Mission Statement

Mission Statement

We, at Choices Counseling & Resource Center, P.A. are dedicated professionals committed to providing quality mental health and substance abuse services. It is our overall goal to enhance the quality of life for individuals and families. Our belief is that all people are valuable and unique and should be treated with dignity and respect. While recognizing the potential for change, an assessment of the client's emotional, physical, spiritual, and life experience is provided in a caring environment. The growth of the individual is promoted through a course of treatment developed and executed in a timely and cost effective manner.

Ethical Stance

We, at Choices Counseling & Resource Center, P. A. dedicate ourselves to serving the best interest of each client.

We, at Choices Counseling & Resource Center, P. A. will not discriminate between clients or professionals based on age, race, creed, disabilities, handicaps, preferences, or other personal concerns.

We, at Choices Counseling & Resource Center, P. A. maintain an objective and professional relationship with each client.

We, at Choices Counseling & Resource Center, P. A. respect the rights and views of other mental health professionals.

We, at Choices Counseling & Resource Center, P. A. will appropriately end services or refer clients to other programs when appropriate.

We, at Choices Counseling & Resource Center, P. A. will evaluate our personal limitations, strengths, biases, and effectiveness on an ongoing basis for the purpose of self-improvement. We will continually attain further education and training.

We, at Choices Counseling & Resource Center, P. A. hold respect for various institutional and managerial policies, but will help improve such policies if the best interest of the client is served.

If you believe any of your rights have been violated, please ask to speak to our Recipient Rights Advisor or Clinic Director.
